

**5/182 Hill Street ORANGE NSW**

3  2  1 

Situated in a small security gated complex and approximately 3 years old this master built free standing unit offers all the spaciousness and convenience usually seen only in a large house. Open plan living areas and great Northly aspect make this not only practicle but sunny and warm too.

Ducted gas heating, coat cupboard, control-a-door and double linen cupboard are just some of the bonuses.

Terrific covered outdoor area set amongst very low care gardens.

If this one doesn't thrill you - nothing will!
