Situated in a central, but very quiet location, this is a home you will fall in love with. The 929.5m² block has a wide frontage so if you want to extend there would be plenty of room. (D.A. approval needed) When you enter the door you will be impressed with the polished floorboards, the high ceilings and the ornate fire places. Large bedrooms, formal lounge, dining, plus sun room make this a totally impressive package. The outdoor north facing decking area is just the thing for summer entertaining and over looks private park-like gardens and yes there is even an outdoor dunny. Inspect and be impressed.
