Here is opportunity plus. Situated in a central location, on a corner block, close to shops, parks, golf course and an easy walk to the CBD, this property offers development potential (subject to council approval) or renovate to make the perfect home. Currently divided into two units you can lease one side while you renovate the other. The north facing backyard only adds to what is the perfect package. Blocks like these are as rare as hen's teeth so don't delay.
